

Female Student ~~Travel Award 2021~~

Apply to win one of six prizes • prize money of 500€
invitation to attend a career conference

With this award, the Collaborative Research Centers MAKI and CROSSING, the Research Training Group Privacy & Trust and the LOEWE Center emergenCITY appreciate exceptionally well performances of female students in computer science, electrical engineering and information technology. As travelling is not possible this year, the six winners will be awarded a prize money of 500€. Moreover, we want to encourage you to attend one of the listed conferences to get an insight into science as well as networking opportunities.

We invite you to attend one of the following online conferences:

- The **Grace Hopper Celebration of Women in Computing** (25.-27.5.2021, online) is the world's largest gathering of women technologists.
- The **WE21** (27.-28.5.2021, online) is the world's largest conference and career fair for women in engineering and technology.
- The **ditact** (23.8.-4.9.2021 in Salzburg, Austria) are summer studies for women in IT.
- The **Informatica Feminale** and the **Ingenieurinnen-Sommeruni** (July to September 2021 online and 13.-25.9.2021 in Bremen) are international summer universities in informatics, electrical engineering and mechanical engineering.
- The **Ada Lovelace Festival** (22.-23.10.2021 in Mainz) is an event that brings together women from computer science and tech and celebrates diversity.
